

2009 Jobu Design NX series Lensplate Recommendations

General Setup: Measure your lens foot. Add 1" to the length for space for mounting accessories (QR flash etc). Select a plate with the same # of screws as your lens foot

Nikon	Surefoot
200mm f4.0 micro	NX1
300mm f4.0	NX1
300mm f2.8 MF	NX2
300mm f2.8 AF	NX2
